School Uniform Guidelines

Students at North Central Academy wear uniforms daily. We have chosen uniforms because they:

- Allow students and adults to focus on learning.
- Sets clear expectations between parents and children concerning school attire.
- Help eliminate student or staff perceptions about clothing as it relates to status.
- Improve the safety and security of the school.
- Improve behavior and discipline in the school.
- Help develop a sense of unity.
- Ensure that inappropriate clothing will not be worn to school.

Students are expected to follow the North Central Academy dress code each day:

Shirts:

Exceptions:

- It is expected that students at school after hours, or at school activities or events, will be dressed appropriately for the occasion.

Additional Guidelines:

- We recommend students dress in layers, as classroom temperatures can vary throughout the day.

If the policy is not followed:

- If a student is out of dress code, we will work with families to correct the issue.
- Continued violations of the school uniform policy may result in suspension and a required parent meeting.
